A green navigation bar contains the following menu items: HOME, INSTITUCIONAL, ASSOCIADOS, SOLUÇÕES EMPRESARIAIS, CONVÊNIOS, NÚCLEOS, AGENDA, SALA DE IMPRENSA, SERVIÇOS, and CONTATO. The main content area is titled 'SALA DE IMPRENSA' and features a sidebar with links for 'Notícias', 'Logomarca Acisbs', 'Informativo Acisbs', 'Downloads', and 'Atendimento Jornalista'. The main article is titled 'Notícias' and has a sub-header 'FACISC se une às entidades contábeis na busca de melhorias na implantação do Bloco K' dated '27/07/2015'. The article text discusses a meeting on the 23rd of the month regarding the implementation of Block K, involving representatives from FACISC and CRCSC. It mentions the need for deeper research and the exclusion of Block K companies from the Simples Nacional regime. The article also notes that Block K is the digitalization of the production and inventory control book, and that companies must present their inventories and production in the SPED Fiscal system. A quote from the vice-president of FACISC highlights the need for cooperation between companies and the accounting profession. The article concludes by stating that FACISC will lead a movement based on information passed by accounting entities, aiming to find the best way to implement Block K, with options including a prorogation of the start date to January 2016 or a floor of R\$ 78 thousand for affected companies. The source is cited as 'Assessoria de Imprensa Facisc'. At the bottom of the article is a photograph of several men in business suits sitting around a conference table during a meeting.
